Username and Password Creation

1. Enter a **Username**. Use an alphanumeric (both letters and numbers) username.
2. Enter a **Password**. Use an alphanumeric password. Passwords should be at least 6 characters and considered a strong password.

The screenshot shows a web form titled "Create Campus Parent Account". Below the title is a welcome message: "Welcome Parent Dad Example!". The form contains four input fields: "Username *", "Password *", "Confirm Password *", and "Password Strength". The "Password *", "Confirm Password *", and "Password Strength" fields are currently empty. To the right of the "Password *" field is a blue information icon. Below the "Password Strength" field, the text "0%" is displayed. At the bottom of the form is a blue "Submit" button and a link labeled "Back to Login".

3. Re-enter the password in the **Confirm Password** field.
4. Click the **Submit** button.

This action will create the username and password.

Click **Back to Login** to enter the username and password to access the Parent Portal.

Success!

Congratulations! You have successfully created your Campus Parent account!
